

# WG1 – Reflecting and learning

Summary of the Delft workshop

COST Action TD1408: Interdisciplinarity in research  
programming and funding cycles (INTREPID)

Cost is supported by the  
EU Framework Programme Horizon 2020

Draft paper  
First internal (=May), then wider  
circulation.

Focusing on

- 1) summarizing the items necessary to  
create a typology on how knowledge  
domains are interacting
- 2) Joined goals etc.
- 3) Facilitators of Interdisciplinarity

Please contribute!

## Glossary

Feedback can be implemented into a Wiki, which will be a “living” document, yet at some point we might take definitions with the widest consent, and use these also consistently in the paper.

Please contribute!

COST Action TD1408: Interdisciplinarity in research programming and funding cycles (INTREPID)

Cost is supported by the EU Framework Programme Horizon 2020

## Policy briefs

WG1 will focus on educating young researchers. This will be matched with the document.
